Signature Prime Capital

BUILT FOR FOREX TRADERS

Withdrawal Policy

Effective date: 17 November 2026 | https://sprimecapital.pro

1. Overview

This Withdrawal Policy describes how Signature Prime Capital processes client withdrawal requests from the client portal.

2. Eligibility

- Account must be verified (KYC complete) where required
- Available balance must cover the requested amount and any applicable fees
- Withdrawal method should generally match the original funding source where policy requires

3. Processing times

Internal review typically completes within 1–3 business days after a valid request. Blockchain / banking networks may add further time outside our control.

4. Methods

Supported methods (including crypto wallets such as TRC20/BEP20 where enabled) are shown in the portal at the time of request.

5. Checks & refusals

We may delay or refuse withdrawals that fail security, AML, bonus, or source-of-funds checks, and will notify you through the portal or support channels.
